Workday Certified Integration for ACA State Filing & Print/Mail

Solution Benefits

- Reduces manual effort in printing and mailing documents to 1095-C recipients
- Validations against IRS and state business rules
- Complies with IRS and state requirements and deadlines
- Ease of compliance filing

Interface with Workday

- Experian manages details involved with producing and mailing printed ACA statements directly to employees as well as IRS and state file generation.
- All pertinent employee healthcare information will be delivered automatically and securely from Workday to Experian

Questions to Consider:

- How do you handle the printing & mailing of ACA statements for employees who do not opt-in to receive electronic statements?
- How are you ensuring compliance with state ACA filing?

For more information, please see our Workday partner page or reach out to EES-Workday@experian.com.
